PURPOSE

- when parent/carer consent is required before photographing, filming and recording students
- how consent can be provided and withdrawn.

SCOPE

This policy applies to the general collection, use and disclosure of photographs, video and recordings (images) of students.

The policy does not cover the:

- use of Closed-Circuit Television (CCTV). The use of CCTV is covered in the department's CCTV in Schools Policy.
- use and disclosure of photographs, video and recordings of adults.

POLICY

There are many occasions during the school year where Mentone Girls' Secondary College staff photograph, film or record students participating in school activities or events, for example: classroom activities, sports events, House activities, assemblies, excursions, and camps.

We do this for many reasons including to celebrate student participation and achievement, showcase learning programs, document a student's learning journey, and communicate with our parents/carers and school community via our school newsletters. There may also be occasions where we take images to support student behaviour management or to fulfil legal obligations. Further detail is provided within this policy.

In addition to the above, there may be situations where a third party requests to take, use or disclose images of students.

This policy outlines the practices that Mentone Girls' Secondary College has in place for the collection, use and disclosure of images of students to ensure compliance with the *Privacy and Data Protection Act 2014* (Vic). It also explains the circumstances in which we will seek parent/carers consent and how consent can be provided and withdrawn.

Consent

The Photographing, Filming and Recording Students Consent Form is provided by Mentone Girls' Secondary College at enrolment. This form applies to standard uses of images for the time your child attends the school. Standard uses are defined in the following sections.

For non-standard uses, where consent is required, parents/carers will be sent a consent form for that specific situation. Schools will also notify parents when implementing software that may include photos of students, giving parents an opportunity to discuss any concerns or preferences.

If at any time parents/carers wish to withdraw their consent, they can by contacting mentone.girls.sc@education.vic.gov.au. If consent is withdrawn verbally, the school will make a written record of this. However:

- if the images have already been published and are in the public domain, it may not be possible to remove them
- the school can still collect, use and disclose images in circumstances where consent is not required (see below for more information).

A Photographing, Filming and Recording Students Consent Form will be given to parents/carers on enrolment for the standard uses described above.
