

STUDENT DRESS POLICY

APPENDIX A: UNIFORM ITEMS

Mentone Girls' Secondary College offers both warm and cold weather uniform options. Given the increasingly unpredictable nature of Melbourne's weather, the College has decided to adopt a transeasonal uniform approach. This means students will be able to choose from a range of approved uniform items throughout the year, rather than being restricted to a set summer or winter uniform during specific months. This change is intended to prioritise student comfort and practicality while maintaining a consistent and presentable standard of dress.
